## Message from the Desk of the Dean

**Dr.Chinmay Shah**  
MD, Ph.D, PGDHPE, PGDHMM  
Dean, Government Medical College, Bhavnagar

A Warm Welcome to Our New Students!

Dear Students and Parents,

On behalf of the faculty and staff, I extend a heartfelt welcome to you as you begin your journey into the noble profession of medicine at Government Medical College, Bhavnagar. You are joining an institution committed to high academic standards, innovation, and all-around personal growth. I am more happy to welcome you has my juniors as I am student of 1996 batch and graduated from the same college.

**A Legacy of Excellence and Achievements:** Government Medical College, Bhavnagar, has a rich history of fostering academic and clinical excellence since its establishment in 1995. We are proud of our numerous achievements that contribute to our legacy.

- **Pioneering Medical Research:** Our faculty and students have consistently secured research grants for important studies, including projects on subjects like the effect of specific therapies on poisoning, the efficacy of traditional remedies, and drug utilization patterns.
- **National Accreditation and Recognition:** Our institution has been recognized for its high standards. For example, the laboratory services at our affiliated Sir Takhtsinhji General Hospital received a prestigious distinction as the first NABL-accredited government laboratory in the country. This is a testament to our commitment to quality and accuracy in diagnostics and patient care.
- **Academic Distinctions:** Our students have consistently demonstrated academic brilliance, with several securing gold medals in the MD examinations across the university. This is a reflection of the caliber of our students and the dedication of our teaching staff.
- **Community and Public Health Initiatives:** The college has been at the forefront of public health efforts. For instance, we took a lead among all government medical colleges in Gujarat by establishing a designated microscopy-cum-DOT center for TB patients. Our college and hospital have also been recognized with "Star Achiever" awards for outstanding performance in ICTC (Integrated Counselling and Testing Centre) activities.

**Academic Excellence and CBME Transformation:** This year, you are part of the fifth MBBS batch since the curriculum revision and the very first to fully experience the Competency-Based Medical Education (CBME) 2023 Regulations. This forward-looking curriculum focuses on:

- Clearly defined learning objectives and performance assessments for every topic.

- The integration of subjects both vertically and horizontally, fostering a more holistic learning experience.
- Dedicated modules for **Foundation, Self-Directed Learning (SDL), Early Clinical Exposure (ECE), sports, Small Group Discussions (SGD)**, and the **AETCOM** module, which focuses on attitude, ethics, and communication.
- The **Family Adoption Program**, where you will adopt five local families in a PHC area, engaging with the community and applying your skills under faculty guidance.
- Compulsory logging and certification of core skills. Your logbook submission and supervisor sign-off are now eligibility requirements for progression and examinations.
- We have our own Learning Management System which is used for day to day test/ assignment and logbook.

**Culture of Support and Discipline :** We take pride in fostering not only academic but also personal and ethical growth. During your time here, please seize every opportunity to develop your professional and soft skills.

We expect you to uphold high standards of discipline, responsibility, and integrity. We maintain a **zero-tolerance policy** for any antisocial behavior, ragging, substance abuse, property damage, or rule violations, ensuring a safe and conducive learning environment for everyone.

We have adopted mentoring program for mentoring of student and from this year we are starting new program for self development of our student titled **तत्त्वमस्मि** . The phrase is typically translated as "Thou art That" or "You are That." It's a statement about the fundamental identity of the individual self with the ultimate reality.

### **Our Commitment to You**

Our faculty and staff are dedicated to supporting your academic and professional ambitions. We expect exemplary behavior and encourage you to make the most of every resource provided, both in academics and personal development.

As you embark on this enriching path, remember that you have the ability to lead an independent, disciplined, and healthy life. Use your time wisely, keep your surroundings clean, and stay true to the values of medical service.

We congratulate both students and parents for reaching this milestone and assure you that we will do everything to help you achieve your goals. May your five years here be filled with learning, growth, and success.

Welcome to Government Medical College, Bhavnagar!

With best wishes for your journey,

Dr Chinmay Shah  
Dean  
Government Medical College,  
Bhavnagar

## **Discover Bhavnagar: A City of Culture and Heritage**

Bhavnagar, founded by the late Maharaja Shri Bhavsinhji Gohil, is known as the "Cultural City" of Saurashtra. It is a city of historical and spiritual significance, famous for:

- **Palitana Tirth:** A major pilgrimage center for Jains, home to hundreds of ancient temples.
- **Khodiyar Mata Temple:** A revered place of worship dedicated to the goddess Khodiyar.
- **Alang Shipbreaking Yard:** The world's largest shipbreaking yard, a unique industrial landmark.
- **Ganthishiya:** The city is renowned for its unique varieties of *ganthishiya*, a popular local snack.

You might be interested to know that Maharaja Krishnakumarsinhji was the first ruler to merge his kingdom into the Indian Union, handing it over to Deputy Prime Minister Sardar Vallabhbhai Patel—a pivotal moment in the unification of India.

## **About College**

### **Our Journey and Growth**

Government Medical College, Bhavnagar was established on April 29, 1995, with an initial capacity of 50 students. We've grown steadily over the years, increasing our annual admissions to 100, then 150, and since 2019, we now proudly admit 200 students each year.

Our postgraduate programs began in 2002 with 12 seats across six subjects. Today, we offer PG courses in all 20 subjects, with a total of 136 postgraduate seats (133 for degrees and 3 for diplomas).

### **Sir Takhtsinhji General Hospital: Our Legacy of Care**

Sir Takhtsinhji General Hospital, affectionately known as Sir T Hospital, is our teaching hospital. Since its establishment in 1933, it has served not only Bhavnagar but also three neighboring districts.

With the hospital's affiliation with our college, its capacity has expanded to 1,030 teaching beds, managing an average of over 1,800 outpatients daily. We also provide crucial care to the residents of Alang, home to Asia's largest shipbreaking yard.

Our doctors and paramedics have been instrumental in serving the community during numerous natural disasters and epidemics. To support our future growth, the institute has also acquired two large plots of land in Nari and Ruva, Bhavnagar.

### **Modernizing Our Facilities**

Sir T Hospital, which is **NABH (Entry-level) and Laqshya accredited**, features multiple specialized buildings, including:

- Old palatial hospital building, Gopnath Maternity Home, Pediatric Ward building
- Various OPD and ward buildings for different specialties like Skin, Surgery, Orthopedics, Medicine, Ophthalmology, and Dentistry. A Trauma Center for emergency services, Respiratory Medicine ward, Burn ward, Laboratory building, Hostels for both undergraduate and postgraduate students are located on the hospital campus.

## The New Superspecialty Hospital

We are proud to announce that a new superspecialty hospital, built with a grant from the **PMSSY Phase 4** program, is now complete and will be inaugurated soon. This state-of-the-art facility will house six superspecialty departments: Neurology, Neurosurgery, Cardiology, Cardiothoracic and Vascular Surgery, Nephrology, and Urology.

It will be equipped with modern amenities like modular operation theaters, a building management system, sewage and effluent treatment plants, central air conditioning, ICUs, HDUs, and wards with Medical Gas Pipeline Systems (MGPS). The hospital will also feature the latest equipment, including a **3 Tesla MRI, 128-slice CT scan machine, Cathlab, and lithotripsy**. The Government of Gujarat plans to introduce superspecialty courses in these departments once they are functional.

## Advanced Technology and Learning

Our commitment to excellence extends to our technology and academic resources:

- **Medical Technology:** We have a state-of-the-art ART center and a Hyperbaric Oxygen Therapy Chamber.
- **Accreditation:** All our laboratories and blood bank are **NABL and NABH accredited**, respectively, ensuring the highest standards of quality.
- **E-Learning:** We have a well-established e-learning laboratory, a Learning Management System (LMS), Hospital Management Information System (HMIS), and a videoconferencing system.
- **Connectivity:** We have **National Knowledge Network (NKN)** connectivity to every department, library, and lecture hall, running on a dedicated network at a speed of 100 Mbps.

## **A Note on Hostels and Campus Life**

We understand that a comfortable and secure living environment is essential for your academic success. Here's what you need to know about our hostel and campus facilities. Currently, we provide separate hostel accommodations for our male and female students:

- For Boys: Four hostels for undergraduate and intern students.
- For Girls: 40 quarters in the D block, 7 quarters in the E block, and 13 rooms in the Nursing Hostel for interns.
- Mess facilities for all undergraduate hostels, with separate arrangements for postgraduate students.

- Teasing, treating with rudeness, or causing annoyance, hardship, or psychological harm to any other student, especially a junior or fresher.
- Engaging in rowdy or undisciplined activities that create a sense of fear or embarrassment.
- Forcing a student to perform an act that they would not normally do, which adversely affects their physical or mental well-being.

### **Punishments for Ragging**

Depending on the nature and severity of the offense, anyone found guilty of ragging will face one or more of the following punishments, as determined by the Anti-Ragging Committee:

1. Cancellation of admission.
2. Suspension from classes.
3. Withholding or withdrawal of scholarships and other benefits.
4. Debarment from appearing in any exams or evaluation processes.
5. Withholding of results.
6. Debarment from representing the Institute in any event.
7. Suspension or expulsion from the hostel.
8. Rustication from the Institute for a period of 1 to 4 semesters.
9. Expulsion from the Institute and debarment from admission to any other institution.
10. A fine of ₹25,000.
11. **Collective Punishment:** If the individuals responsible for ragging cannot be identified, a collective punishment may be imposed on the community to ensure accountability.

### **Anti-Ragging Committee**

Our Anti-Ragging Committee functions year-round under the chairmanship of the Dean to ensure a safe campus. The committee includes members from the administration, law enforcement, media, and student body.
